AFRIKAANS 73%
ENGLISH 80%
LIFE ORIENTATION 100%
LIFE SCIENCES 74%
COMPUTER APPLICATION TECHNOLOGY 92%
ACCOUNTING 86%
MATH 83%

My strong result in Mathematics and CAT reflect my ability to work with numbers, technology, logical concepts and problem solving

KEY SKILLS

- Programming and coding interest
- Computer literacy
- Microsoft word
- Microsoft Excel
- Microsoft Access
- Computer Applications Technology
- Problem solving
- Logical thinking
- Typing
- Ability to learn independently
- Time management
- Willingness to learn new technologies
- Strong interest in technology and computers

IT AND TECHNOLOGY INTERESTS

- Programming and software development
- Coding
- Computer systems
- Information Technology
- Technology and innovation
- Learning new programming concepts
- Problem solving through technology

PERSONAL STRENGHTS

- Hardworking and committed
- Self-motivated
- Willing to learn
- Goal-oriented
- Responsible and Determined to further my education
- Good problem-solving ability
- Adaptable
- Passionate about technology

INTEREST AND ACTIVITIES

- Coding
- Gaming
- Jogging and exercise

- Technology
- Learning about computers and programming

LANGUAGES

- English
- Afrikaans

CAREER GOAL

My goal is to study information Technology, Computer Science, Software Development or a related field after matric. I would like to develop strong technical and programming skills and eventually build a career where I can contribute to the technology industry and use my knowledge to create solutions that can benefit others.
